SERVICES TO HELP PROFESSIONAL MEDICAL STAFF DEVELOP AND MAINTAIN A LEADERSHIP POSITION IN THE HEALTHCARE SECTOR

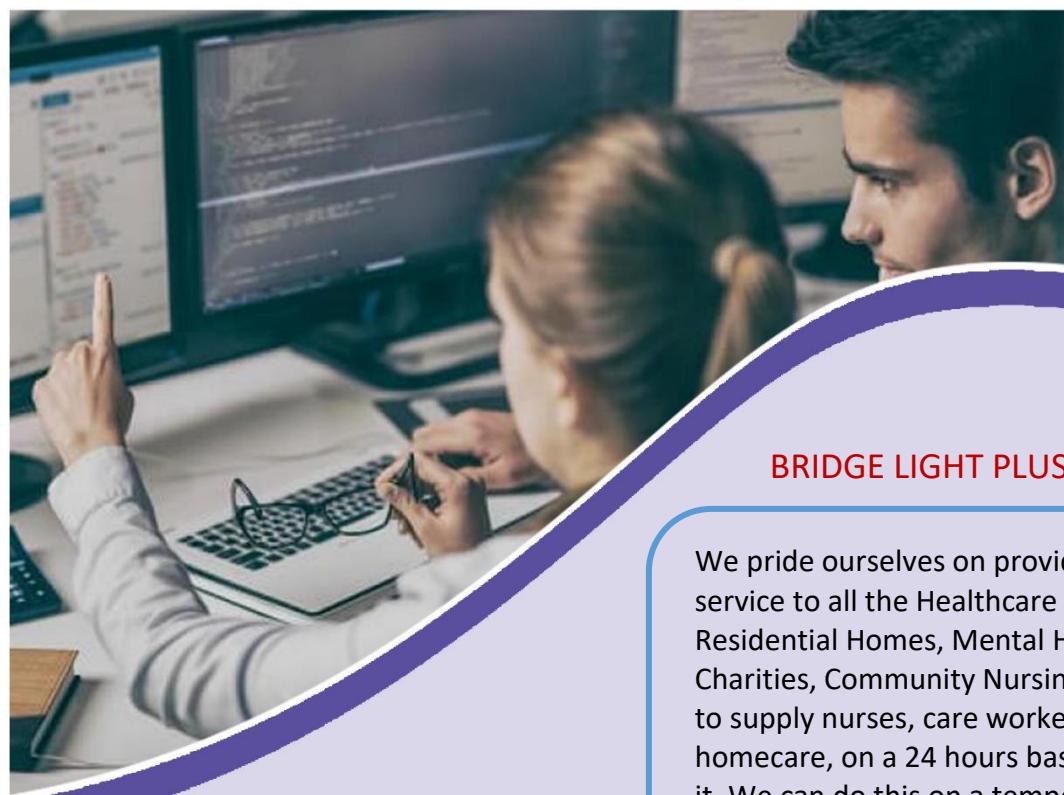

Bridge Light Plus: We provide all categories of specialist and general nurses and Healthcare Assistants. Our extensive product range includes: Bank Outsourcing, Temporary and Permanent recruitment, ASAP emergency shift cover....

We're one of fast growing agency that now operates UK wide. The healthcare professionals engaged by us provide only the Highest quality of care. We provide an efficient, bespoke and highly professional Service such as: – Using quick-click technology to ensure a fast response to your Healthcare needs .Our attention to detail and 'organization ethos' allows Us to deliver high levels of service as we invest in our candidates, Encourage their career development, screen them rigorously and Ensure best practice in every aspect of the healthcare they deliver.

All our agency workers have already met our stringent selection Criteria, with a minimum of two professional references, an Enhanced disclosure and validation of identity. Bridge Light plus Medical Staffing process ensures your patients receive The level of care they deserve and better value for money.

"We measure our performance according to the impact that We have in driving your business forward."

BRIDGE LIGHT PLUS MEDICAL STAFFING

We pride ourselves on providing an exceptional quality of service to all the Healthcare sector, Nursing Homes, Residential Homes, Mental Health Institutions, Prisons, Charities, Community Nursing, and GP Surgeries. We are able to supply nurses, care workers, GP's, consultants and homecare, on a 24 hours basis depending on when you need it. We can do this on a temporary, fixed term contract or permanent basis, whatever your need, whenever you need it.

NURSES AND CARE

Quality, safe patient care and a strong focus on clinical governance is our top priority when it comes to nursing and that means around the clock, 24 hours a day, seven days a week service when it's needed. We ensure that we only recruit appropriately qualified nurses, with the proven experience, skills and training required to deliver the best possible healthcare to your patients and service users. Like all of our healthcare professionals, our nurses are fully screened and DBS-checked. We conduct face-to-face interviews with each one to assess their suitability to deliver a high standard of care. This is why many nurses are so eager to join us – but not all get the opportunity. The nurses we accept cover a broad range of nursing care such as A&E, community nurses, district nurses, domiciliary nurses, general nurses, health visitors, ITU, mental health, midwives, nurse practitioners, nurse prescribers, nursery, oncology, pediatric, practice specialist and theatre/ ODP, nursing and residential and many more. We are audited/ regulated by the Care Quality Commission.

HOMECARE

We specialize in providing very high quality nursing care for private patients who need attentive, specialist care in their own homes. (Bridge Light Plus Medical Staffing)

This includes patients with chronic, long-term or complex conditions and illnesses. As part of this domiciliary care, we have specific expertise in, and an understanding of, Dementia care, Palliative
